SOLICITATIONS.

Fort St. George, July 2, 1929.

No. 427.—The following resolutions of the Government of India are republished:—

HOME DEPARTMENT.

Passports.

Revised, 14th December 1914.

No. 2241-2244.—In pursuance of the orders contained in the Resolution of the Government of India in the Home Department, No. 2231-2237, dated the 8th December 1920, the Government of India in Council is pleased to issue the following instructions with regard to certificates of identity.

1. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to the Resolution, signed by the head of the District (or a Provisionary Town and in the case of Residents, the Commissioner of Police) in the case of Residents of British India, and by the Political Officer in the case of Residents of Native States. In the case of a student the certificate should be signed by the head of his school or college and countersigned by the District Officer (or a Provisionary Town and in the case of Residents, the Commissioner of Police) or Political Officer or the same may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who owing to unforeseen circumstances are unable to complete their course of education cannot be dealt with authoritatively unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be especially useful to young men of good family, as it may enable the Secretary of State to obtain for them medical and other attention.

Those who are destitute, however, if travelling in company where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, so of right, on the ground that he is a British subject, but the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of responsibility, is not sufficient to ensure that a passport will be granted.

Forth, the 2nd August 1916.

No. 6957.—The following letter received from the Government of the East Africa Protectorate is published for general information:—

THE SECRETARIAT, NAGRAH,
 EAST AFRICA PROTECTORATE,
 June 27, 1916.

Sir,

I have the honour to inform you that the Government of the British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1902, and the Immigration Restriction Amendment Ordinance, 1909, copies of which are enclosed herewith.

2. Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 3 (a) * might be permitted to enter the Protectorate on payment of a deposit according to sub-section 1. In the course of time this provision was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of the deposit.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This course has led to abuse and it is itself objectionable inasmuch as the deposit provided by section 11 of the

Ordinance of 1902 is payable before landing and if this section is read together with section 3 (1) of the amending Ordinance of 1913, it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect on from the 1st of September 1916 and I have the honour to request that steps may be taken to make the provisions known to those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of the Protectorate will not hold itself responsible for any expenditures there incurred.

I have the honour to be,

Sir,

Your most obedient servant,

G. O. KENNEDY,
 Chief Secretary to Government.

Local Governments and Administrations are requested to make the intimation contained in the letter as widely known as possible, particularly in places from which immigrants to British East Africa are believed to be most numerous. Immigrants and agents should also be warned of the risks they run in proceeding to the Protectorate if they are unable, before landing, to deposit the sum of Rs. 50, or to comply with the demand for the requisite security in lieu of the deposit.

* The act now prohibits the land question of any person who enters in accordance with the provisions of any law which has been made in a public charge.

† The deposit required is a sum of Rs. 50, or its

No. 5.—In virtue of the powers delegated under clause XI of Government Notification No. 463, dated 13th July 1929, published on pages 1203 and 1204 of the Port St. George Gazette, dated 26th September 1929, Part I, as amended by Government Notification No. 154, dated 19th March 1931, and in exercise of the powers delegated under section 4 of the Madras Survey and Settlements Act No. 8, dated 25th June 1933, the Commissioner of Madras hereby prescribes the following rules for the survey, etc., of lands under section 12 of the Madras Survey and Settlements Act 4 of 1923, for the purpose of toddy-producing trees and for the survey of lands therefrom, to have effect in the following local areas from the 1st day of October 1933:—

(1) The villages in the Agency towns specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Madurai district and the Wynad taluk, Arney, Vengaloor and the Kanyakumari valley of the Malabar district.

(3) The Kanyakumari State.

4. Tree-topping licenses shall be issued on the application:—

(a) of licensed toddy shop-keepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of essential toddy articles;

(c) of persons on their own application in the South Kanara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy drawn in some particular shop and that the latter application is accompanied by a statement of the shop-keeper to whom the toddy is to be taken.

- (d) of trees owned generally, and of trees wholly or partly in the villages of the Agency lands specified in Schedule I, in the East Guluwari District, in the portion of the West Guluwari District corresponding to the Nanyang, Rhomavara, Tawaka, Elima and Yemegidion Islands of the old Koroia District and in the Nanyang and Elima Islands of the Greater District, but not more than five trees in the case of free-owners and three trees in the case of semi-free-owners for the felling of toddy required for domestic consumption, but not for sale;
- (e) of toddy shopkeepers or retailers in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;
- (f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or accompanied by the British and Madras Inspectors of the State; and
- (g) of any member of a hill tribe whether a free-owner or not, residing in any of the villages of the Yemegidion district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (f), (d) and (e), the license may be issued in the name of the applicant himself or of his nominee, and in cases (e), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fee (or the first installment thereof, as the case may be) due in respect of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a taluk treasury. Districtal officers may also require heads of villages to receive payment on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (e) and (f) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated, or to an authorized village money-receiver in the same taluk, and the receipt concerned should affix a declaration in the application to the effect that they have obtained a license, permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be tapped. The shop licenses should be produced before village money-receivers when the application and fee are presented to those officers. Pudukkottai revenue, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Inspector, Excise Department, in charge of the taluk in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be accepted free of charge. Applications may be made by shopkeepers and buyers need not be stamped; those put in by other persons must bear a receipt for stamp of submission. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer, if payment has been made to a village head, the receipt must accompany the application. Mysore revenue and shopkeepers applying for trees in Mysore territory should pay the tree-tax into the Mysore Amildar's treasury and should submit before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T.T. 3, the receipt

with the Amildar's certificate as to the fact to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. Applicants from Mysore musters for license for the tapping of trees in villages in the British territory in which there are trees belonging to Government shall invariably be given consideration by the village headman of the village in which the trees are situated in token of the courtesy of the officer concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the trees are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licenses in the South Kanara District should be accompanied by the owner or person in possession of the trees intended to be tapped in token of his consent.

5. Toddy shopkeepers in towns adjoining the Mysore territory will not be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one installment into the British treasury and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the trees are not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of licensees or shopkeepers in the other do not prevent the restoration of trees in any specified area in the Madras Presidency or in Mysore with a view to effect such license or for other settlement and the issue payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so restored.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Bangalore Taluk Treasury, the rate being the same as in the Korum District. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in the State on payment of tree-tax in the State at the higher of the rates prevailing in both sides of the frontier.

7. Persons applying for the issue of licenses will be responsible to Government for all costs payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will cause to be made for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the license. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the same is not in the interest of the public or of the State. Applications for trees shall present to the marking officer, who required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be included in the Collector's disbursements.

(2) In the East Guluwari District, in the Nanyang, Rhomavara, Tawaka, Elima and Yemegidion Islands of the West Guluwari District, in the Jopla's

and deposits, within the Greater district and in the villages of the Agency towns specified in Schedule I, trees selected for the dropping of locusts only shall, as far as possible, be in separate rows or blocks.

9. Collector may, from time to time, prescribe the minimum number of trees to be retained in an original application. They may also direct that the trees selected in one village only shall be included in an application.

TENDERS FOR KOLMARANS AND CHATTAMS, PALGHAT DIVISION.

Sealed tenders are invited for the purchase of the kolmarans and chattams shown from 4½ lbs to 10½ lbs Valley Reserve during 1929-30.

2. The quantities expected to be obtained from the kolmarans are approximately as shown below. But no guarantee can be given as to the supply of this quantity or as regards proportion of the species. For convenience the expected yield is shown only in terms of kolmarans seeds (two chattams being taken as equivalent to one kolmaran). Some chattams also will be supplied but no guarantee of the number is given.

Pall (Dichapala elliptica) kolmarans seeds, about 4,500.

Proso—Kolmarans seeds, about 2,500.

Note.—In addition to the seeds kolmarans have green (Gonocarpus) and brownish (Chenopodium) branches and stems may also be available, but no guarantee can be given.

The dimensions of kolmarans and chattams will be—

Kolmarans 18" x 6" x 4".
Chattams 18" x 4" x 3".

As these kolmarans and chattams have to be dug up from a high elevation to the plains, they are liable to be somewhat worn out on the sides and edges. Hence a margin for each wear and tear must be allowed and no objection will be allowed for excessive reduction in dimensions due to this and other causes and on which point the decision of the District Forest Officer, Palghat, shall be final.

Conditions.

1. Tenders must be addressed to E. K. Malia, Esq., Acting Conservator of Forests, South Circle, Chingleput, and must be sent enclose by registered post, as far as to reach but not later than the 24th July 1929. 3. The chairman of the municipal committee will be returned with the necessary pay order on the amount of the tender, less that all the tenders have been opened and unless there has been a success. The chairman of the municipal committee will be returned as part payment of the amount due.

4. The successful tenderer, within a week of receipt by him of instructions of the Commission by the Commissioner of Forests, South Circle, at his tender, deposit Rs. 500 in the Postal Savings Bank at Faisalabad or Multan, as security for the due fulfilment of the several conditions of the contract and must also execute an agreement with the District Forest Officer, Faisalabad, within the time specified above, in the prescribed form, which can be seen at the District Forest Office, Faisalabad, agreeing to abide by the conditions in the agreement and in the tender notice.

5. The holmsman and chittams can be delivered by the Forest Department either at Okara or at Multan Forest depots, and the tenders should specify as to where he wishes to take delivery, and what rates he is prepared to pay for holmsman and chittams of such of the species referred to in paragraph 3 above as he proposes. Payments will be given to tenderer according to the value of the whole lot of all species.

7. The successful tenderer will be advised by the District Forest Officer, Faisalabad, before the 15th of each month, of the approximate number of holmsman and chittams that are expected to be delivered to him during the next month. Not more than the 15th of the succeeding month he must remit to the nearest Government treasury the full amount of the quantity so estimated. The quantity estimated being approximate, the department will not be responsible for any shortage in the number estimated, but any amount paid in excess will be repaid from payments due in the subsequent month.

8. The tenderer should arrange, after payment as stipulated in condition 7 above is made, to take delivery immediately and remove from the depot, within the stock within fifteen days of payment of money. In case of default to remove within the time limit, a penalty of Rs. 5 per day will be charged and levied for the days the stock is allowed to remain in the depot after the next fifteen days after payment of the purchase money and if the removal is not effected and completed within thirty days of payment of money, the stock left unrecovered may be sold as *excess* at the option of the Forest Department and the price fixed at sale less the amount of purchase money due to Government will be returned to the tenderer. The tenderer will not be entitled to any compensation for loss if any resulting from sale of unrecovered stock. He shall also not be entitled to any surplus which Government may get over the original sale price, by sale of unrecovered stock.

9. Holmsman and chittams paid for and supplied as laid down in clauses 1 and 2 above shall, from the date they are handed over to the tenderer or his authorized agent, remain at the risk of the tenderer. The tenderer or his authorized agent shall furnish a receipt for the holmsman and chittams delivered. Any holmsman and chittams left unrecovered on 30th April 1930 will be considered as Government.

10. As far as possible any holmsman and chittams which will be required and passed by a Forest Ranger will be supplied by the Forest Department. The successful tenderer will be bound to accept all such holmsman and chittams. That is to say, selection or rejection on the part of the tenderer will not be allowed; but any reasonable exceptions will be considered by the District Forest Officer, whose decision shall be final.

11. If the successful tenderer fails to pay the security deposit and to execute the agreement as

laid down in clause 4 above or after having signed the agreement fails to set up to the conditions in the agreement and tender within all money paid by him already will be forfeited to Government and the right to purchase the holmsman and chittams will be vested at his risk and he shall, besides, be responsible to make good to Government all or any loss that may be sustained by Government as a result of such resale, but will not be entitled to any surplus or for any portion of it, which may be obtained by Government from such resale.

12. Any money due to Government under the terms of the tender notice and the agreement to be executed shall be recoverable from the successful tenderer as a debt due to Government.

13. The Commissioner of Forests, South Circle, reserves the right to accept or reject any or all tenders without assigning any reason for so doing and there shall be no appeal against such action.
